

Dead By Daylight

Game Overview:

- Dead by Daylight is a 4v1 multiplayer survival horror game where one ruthless killer hunts four desperate survivors in a thrilling game of cat and mouse.
- The killer prowls in first-person, seeking their prey, while survivors work together in third-person to repair generators, evade capture, and escape dark, terrifying locations before it's too late.
- Each match is a heart-pounding test of strategy, stealth, and nerve as you either outsmart your friends or terrify them as the killer.
